**ITAGroup Named Top Small Company Workplace**

**West Des Moines, Iowa** (June 6, 2011) – *Inc.* magazine and Winning Workplaces have named **ITAGroup**, of West Des Moines, a 2011 Top Small Company Workplace. This award recognizes the nation's best small and mid-sized company work environments.

"I am extremely proud of the recognition that **ITAGroup** has received as a Top Small Company Workplace," says **ITAGroup** president and CEO Thomas J. Mahoney, Jr. "This award confirms what we have known all along – that the 100 percent employee-owned **ITAGroup** has a culture that is committed to excellence for both customers and our team members."

Adds Ken Lehman, chairman of Winning Workplaces, "This year's winning firms distinguish themselves in so many ways. They are steadily growing their revenues, often outperforming their industries; have identified niches where they add unmatched value; and are guided by strong missions and values.

"And they make no secret of the fact that a key driver behind their success is their engaged and committed workforces."

Winning Workplaces and *Inc.* received nearly 350 applications. A panel of national experts in business and leadership judged the field. Winning organizations were based on specific metrics and qualitative assessments of the finalists' success in creating workplaces which engage employees and deliver results.
